

Oregon Emergency Medical Services Conference 2009

October 2 & 3
Red Lion on the River, Jantzen Beach
Portland, Oregon

Dear Friends of EMS,

This year the Oregon EMS Conference will be held in Portland, Oregon on October 2 & 3. Each year the EMS Conference Committee works throughout the year to provide quality speakers and a comfortable and convenient location for the conference. All of this takes a lot of energy and funding. We have been able to supply the energy, but every year it is more challenging to provide the funding. The EMS Conference is not supported by tax money and requires private contributors to provide the necessary funding.

Our Goals for the 2009 Oregon EMS Conference are:

- ❖ Provide a better learning experience for our EMS personnel
- ❖ Present a quality conference for EMTs and First Responders throughout the state
- ❖ Supply quality speakers on numerous topics relevant to EMS
- ❖ Make available hands-on training in EMS

The Oregon EMS Conference is non-tax supported and we need contributors such as you to make this conference a success. The conference is sponsored under the umbrella of the Oregon Research and Education Foundation (OREF), a 501 (c) (3) education organization (Tax ID 93-0867408). Many of the attendees are volunteers and would find it difficult to cover the cost of the conference if it were not supplemented by contributions.

Contributions of **\$1700** or more will receive a **Platinum** acknowledgement; **\$1000** to **\$1699** will receive a **Gold** acknowledgement; **\$500** to **\$999** will receive a **Bronze** acknowledgement. (Platinum contributors will receive recognition at the Awards Banquet, and be listed on banners displayed at the conference.)

If you wish to support the EMS Conference, please complete the enclosed Sponsorship Opportunities form and return it with your donation in the enclosed postage paid envelope. You may also choose to have us invoice you for your convenience.

Thank you for your support for the EMS personnel that we assist in their training and education at the Oregon EMS Conference.

Sincerely,
