

Oregon EMS Conference 2017
September 21, 22, 23, & 24
The Riverhouse on the Deschutes & Convention Center
Bend, Oregon

Dear EMS Community Supporters:

For more than 20 years, the Oregon EMS Conference has attracted pre-hospital care providers of varying skill levels and backgrounds from throughout the state of Oregon, providing continuing education on the most current best practices of care.

Annually, more than 300 professionals attend the two-day conference and more than 150 providers attend the pre and post conference sessions.

As a business that caters to EMS we believe that you recognize the importance of offering affordable education to those that dedicate themselves to providing emergency patient care in our rural communities.

For these reasons and more, together with your support, we hope to ensure the availability, accessibility and affordability of cutting edge education and training for all pre-hospital professionals.

A list of sponsorship opportunities are attached for your review. Platinum sponsors will receive a full page ad in the conference brochure and CE booklet and a linkable logo will be depicted on the conference web site. All sponsorship levels, including Platinum, will receive acknowledgement in each attendee's packet, on all conference banners, in the brochure and also in the CE booklet.

We are a 501(c)3 organization, so your financial support is tax deductible.

Thank you for your time and anticipated support of this year's Oregon EMS Conference.

For more information you may visit www.oregonemsconference.com or contact me at 503-784-0666 or dlong@health-insights.net

Sincerely,

A handwritten signature in blue ink that reads "David R Long, Sec Treasurer".
